ADE BRANCH INFOR IDUM NO. 508.15
Supplement 1

To : ADE Field Activities Stations
From : R. W. Morgan, Administrative Officer
Subject: State Livestock Sanitary Organizations

I PURPOSE

The purpose of this supplement is to transmit a list of changes of officials in State Livestock Sanitary Organizations.

II GENERAL

The attached list is prepared from information furnished by State Livestock Sanitary Organizations and members of the ADE Branch Field Stations in accordance with ADE Branch Notice of July 23, 1954.

III CURRENT INFORMATION

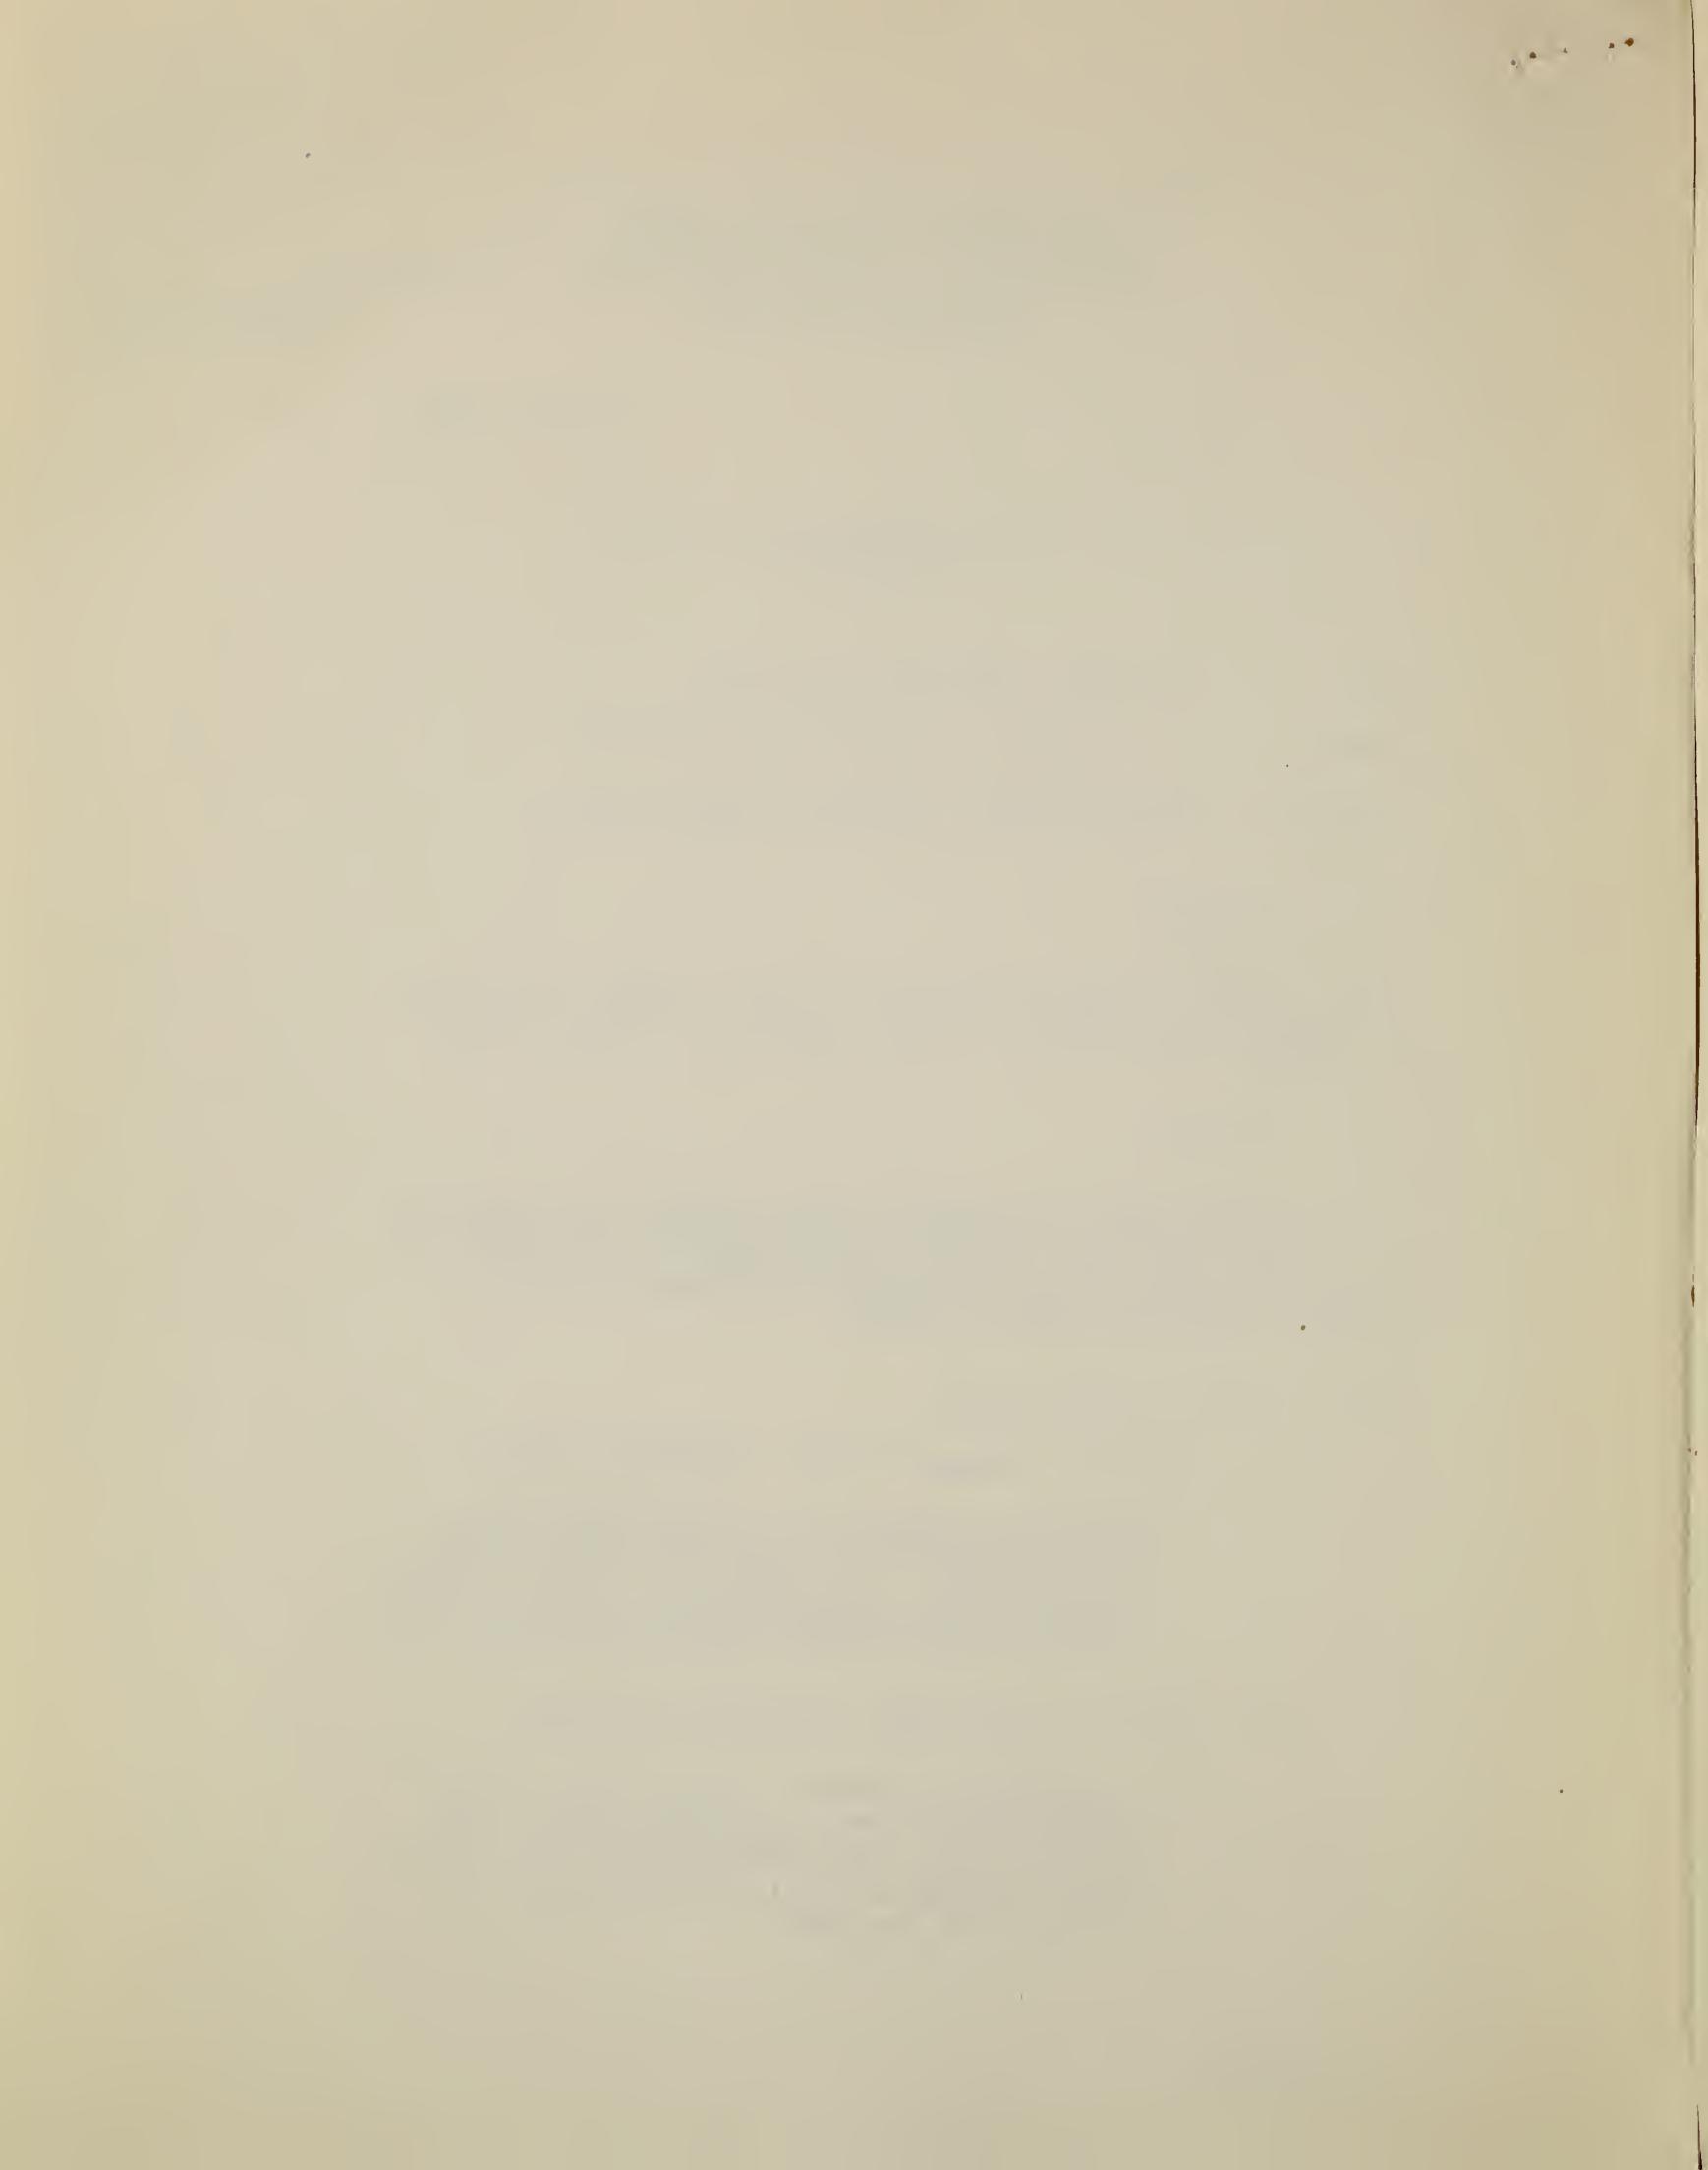

A. Reporting changes to the Washington office:

1. You are requested to advise this office immediately of any change in name, address, organization, responsibility, or any other item of information pertaining to this list.

B. Advice to the field concerning changes:

1. All changes furnished this office will be published in the A.R.S. Monthly Check List. The list has been double-spaced to facilitate writing in the next information concerning the changes.

Attachment:

The following pen and ink
changes should be made:
